

Bay of Plenty Branch

If you are looking for a great celebrant from the BOP region, go back to the Home Page and **Select a Celebrant by Region**, or use the **Alphabetical Listing** if you already know the name of your preferred celebrant.

Greetings from the Bay of Plenty, summer is in the air, the wonderful BOP warmer days and nights now happening regularly

Our marriage celebrants are getting lots of bookings for the coming months and our funeral celebrants are as busy as ever

Our monthly “**Chat and Chews**” are very well attended with a great variety of subjects being covered over the lunch time; it is great to see our members and visitors getting together, we had the honour to have our National president Wanda come and join us at our November get together, a very good attendance and Wanda filled us in on all that is going on in CANZ and particularly the Registration of those members who want to become Certified , we are very thankful for Wanda coming along to meet with us
